

Feeling overwhelmed by how much you need to do to reach your Big Vision? Try this. Each day ask, "What is my next **small** step?" Write it down, take it, and ask again the next day. Little by little, you will get there!

My Big Vision:

**my next
small step**

**my next
small step**

**my next
small step**

**my next
small step**

**my next
small step**
